

Electronic Recycling

Electronic waste, or e-waste, contains toxic compounds such as lead and mercury, and therefore should not be disposed of in your regular garbage containers. Please recycle old laptops and computers properly by taking items to the Household Hazardous Waste Facility at the Salt Lake County Landfill or by reaching out to Call 2 Haul to schedule a pick up.

HOUSEHOLD HAZARDOUS WASTE FACILITY

The Health Department's Household Hazardous Waste facility also accepts electronics, including CRT TVs, at both the Salt Lake Valley and Trans-Jordan Landfill locations.

- Salt Lake Valley Landfill: 6030 West California Avenue (1300 South). Salt Lake City, UT 84104
- Open Monday through Saturday, 7:00 am to 5:00 pm
- Contact: 801-541-4078

CALL 2 HAUL

Salt Lake City offers Call 2 Haul for large bulky items that don't fit or belong in your weekly curbside containers, like old furniture, mattresses, appliances, refrigerators, tires, electronic waste, and bulky green waste.

- Call 2 Haul is for Salt Lake City residents who receive waste collection services from the Salt Lake City Waste & Recycling Division.
- Call 801-535-6953 (Monday-Friday, 8 a.m. to 5 p.m.), or email Call2Haul@slcgov.com to request a pick-up. Se habla español.
