Subject: (EXTERNAL) Killen House No Way Historic

I live near the Killen House and know the build and owner history. NO WAY should the home be considered for Historic Preservation. Homes that were built after 1930s should NOT be considered historic, especially a home built during the Killen home. A home located next door, built in the 1960s is more worthy than a 1970s built home. I vote a NO to allowing on Historic Register!
