REGULAR AGENDA

2. Text Amendment Regarding Community Correctional Facilities & Jails – On April 8th, 2026, the Planning Commission initiated a petition to remove "Community Correctional Facilities" and "Jail" as allowed uses from the Land Use Tables in 21A.33. The Commission is authorized to initiate text amendments under Title 21A.50.030. "Community Correctional Facility" is currently listed as a Conditional Use in the M-1 (Light Manufacturing) and MU-11 (Mixed Use District 11) Zones, and "Jail" is listed as a Conditional Use in the PL (Public Lands) District. The proposed amendment would remove the "C" from the land use tables found in 21A.33 and would make these uses prohibited. These amendments also remove section 21A.36.100: Community

Correctional Facilities. Related provisions of Title 21A may also be amended as part of this petition. This petition would not impact lands owned by the United States Federal Government or land owned by the State of Utah. This would strictly apply to uses on private property that fit the definition of "Community Correctional Facility" and "Jail". (Staff Contact: Cassie Younger at 801-535-6211 or cassie.younger@slc.gov) Petition Number: PLNPCM2026-00384

3. Zoning Map Amendment at Approximately 1379 and 1395 W Van Buren and 1384 W Harris - The applicant, Jonathan Marsh, is requesting the above listed properties be rezoned from R-1/7,000 (single-family residential) to RMF-30 (low-density multi-family) in order to build medium density, for-sale, affordable housing. Currently, 1379 W Van Buren has a single-family home on it and it is proposed to remain. Consideration may be given to rezoning the property to another zoning district with similar characteristics. The subject property is located within Council District 2, represented by Alejandro Puy. (Staff Contact: Ben Buckley at 801-535-7142 or Benjamin.buckley@slc.gov) Petition Number: PLNPCM2026-00369

The applicants Jon and Carrie Marsh, architect Hunter Huffman, and Perry Harrison with The Nonprofit Homebuilder presented on the zoning map amendment. They

outlined their plans and discussed walkability, number of units, water and sewer infrastructure upgrades, gas line removal, and proposed conditions.

Clarification was requested on how long the AMI restrictions run with the land. Affordable housing incentives would require 30 years, but at present there is no expiration date. Will the development be gated? It will not. How parking spaces and open space ratios relate to each other within the proposed plan. When the Westside General Plan was last updated, it was updated in 2014.
