Standards for General Amendments (21A.50.050)

A decision to amend the text of this title or the zoning map by general amendment is a matter committed to the legislative discretion of the city council and is not controlled by any one standard.

- A. In making its decision concerning a proposed text amendment, the city council should consider the following factors:
 1. Whether a proposed text amendment is consistent with the purposes, goals, objectives, and policies of the city as stated through its various adopted planning documents;
 2. Whether a proposed text amendment furthers the applicable purpose statements of the zoning ordinance;
 3. Whether a proposed text amendment is consistent with the purposes and provisions of any applicable overlay zoning districts which may impose additional standards;
 4. The extent to which a proposed text amendment implements best current, professional practices of urban planning and design.
 5. The impact that the proposed text amendment may have on city resources necessary to carry out the provisions and processes required by this title.
 6. The impact that the proposed text amendment may have on other properties that would be subject to the proposal and properties adjacent to subject properties.
 7. The community benefits that would result from the proposed text amendment, as identified in 21A.50.050.C.
