## Residential Demolition Verification Worksheet

Property address:								
Type of structure to be demolished:								
Owner:	Address:		Pho	ne:				
Residential demolition must comply with Salt Lake	City Code section 18.6	4.050.						
A. If the structure for which a demolition permit is sought contains one or more dwelling units, whether or not occupied, upon issuance of a demolition permit, the building official shall cause to be recorded against title to such real property in the official records of Salt Lake County a notice that contains the following information:								
1. Information about the demolished property as required by the city, including the number of dwelling units and respective number of bedrooms, and the amount of rent charged in the year prior to the demolition, and the level of affordability if the rent is a below market rate.								
2. Notice that the future development of the property may have specific development requirements under the City code, including without limitation the city's community benefit policies in chapters 19 and 21A.50.050.								
Dwelling Unit # # of Bedrooms Annual Re	ent* Esti	mated Utilities ** Below	Market Rate (yes/no)	Level of Affordability (%)***				
*Amount of rent charged in the year prior to the demolition **Estimated Annual Utilities (if not included in the rent ***If the level of affordability is left blank, the applicant age information provided.		y Department of Community and Nei	ighborhoods identify this va	ulue based on the
