

SALT LAKE
CITY COUNCIL

CIP CAPITAL IMPROVEMENT PROGRAM

FY25-26 Salt Lake City Council-Approved Projects

Arts Council

801-596-5000 | Info@SaltLakeArts.org

Log #	Project	Funding
	1.5% for Art Funding set aside annually to provide public art at City-developed projects.	\$167,378

Engineering Division

801-535-7961 | EngineeringInfo@SLC.gov

Log #	Project	Funding
5	Street Reconstruction 2026 This annual program funds the vital reconstruction of deteriorated City streets, including street pavement, curb and gutter, sidewalk, drainage improvements, and appropriate bicycle, pedestrian, and transit access improvements.	\$4,390,676
6	700 North Repaving & Enhancements Repave the deteriorated street surface on 700 North between Redwood Road and 2200 West and add pedestrian and transit enhancements and safety features.	\$1,680,600
7	Public Way Concrete This annual program addresses deteriorated or defective concrete sidewalks, accessibility ramps, curb and gutter, retaining walls, etc., in the public way.	\$750,000
10	Bridge Preservation Program This annual program addresses needed bridge repairs and routine maintenance.	\$1,000,000
16	Street Overlays 2026 This annual program funds City street overlays, which may include mill and overlay of street pavement, spot curb and gutter and sidewalk replacement, drainage improvements, and appropriate bicycle and pedestrian access enhancements.	\$3,500,000
20	1200 East Curb/Gutter/Sidewalk & Repave Street Funding will be used to repave 1200 East between Crandall Ave and Zenith Ave and install a curb and gutter on the east side of the road and a curb, gutter, and sidewalk on the west side.	\$303,000

Finance

801-535-7932 | CIPInfo@SLC.gov

Log #	Project	Funding
	CIP Cost Overrun Account Funding set aside annually to cover unforeseen costs of CIP projects.	\$223,171

<div> Parks & Public Lands 801-535-7800 PublicLands@SLC.gov</div>		
Log #	Project	Funding
3	Safe, Open, and Clean Park Restrooms Funding will be used to replace three failing City park restrooms.	\$2,052,000
4	Parks' Legal Compliance with 2010 ADA Design Standards Funding will be used to make infrastructure improvements at 10 City parks to bring them into compliance with ADA standards.	\$2,684,929
8	Liberty Lake Dredging & Aeration System Replacement Funding will be used to repair the aeration system and dredge the sediment at the bottom of Liberty Lake.	\$1,000,000
9	Irrigation System Replacements & Waterwise Landscaping This project will replace up to 20 acres of aged irrigation systems at City parks and public lands and replace some turf areas with supportive waterwise plantings.	\$1,017,515
11	Sugar House Park Pavilion Replacement & Infrastructure Upgrades This is a funding match for urgent improvements at Sugar House Park, including replacing Sugar Beet Pavilion, replacing the Hidden Grove Pedestrian bridge railing and sidewalk upgrades, road and parking lot resurfacing, and more.	\$1,107,117
17	Jordan Park Skatepark Expansion This funding is for a study and design of an expansion of the Jordan Park Skatepark.	\$90,000
22	Sport Court Replacement This project will replace or significantly rehabilitate one of Salt Lake City's concrete or asphalt courts used for tennis, pickleball, basketball, and other activities.	\$630,000
23	Playground Replacements Funding will be used to replace or upgrade playground equipment and surfacing that have reached the end of their safe and serviceable life at one park.	\$385,000
28	Riverside Basketball Court Renovation This project aims to enhance the Riverside Park basketball court by updating the aesthetics and adding amenities to make it more user-friendly.	\$530,000
44	Event Infrastructure & Pavilion Replacements for City Parks This funding will be used for essential event and gathering infrastructure to transform several parks into vibrant hubs for community gatherings and public events.	\$2,597,000
45	Playground Shade This project will install shade cloths or sails over up to five existing playgrounds.	\$500,000
48	Rose Park Lane Beautification, Trail, and Safety Improvements This project will replace and improve the quality of the Rose Park Lane trail, and add irrigation, plantings, and trees.	\$680,000
50	Concord Street to Alzheimer's Park Jordan River Cleanup This project aims to improve access to and near the Jordan River, enhance safety and care of the City's property, and promote more positive activity along the river.	\$480,000
57	Civic Center Implementation This funding will be used to help implement and begin construction on strategic segments of Salt Lake City's Civic Center as early as 2026.	\$3,000,000

<div> Real Estate Services Division 801-535-6014 Real_Estate@SLC.gov</div>		
Log #	Project	Funding
62	Vacant & Leased City-Owned Property Maintenance Funding will be used for Fisher Mansion building improvements and expenses related to Fleet Block predevelopment and a Community Benefits Agreement.	\$500,000

<div>  Facilities Division 801-535-7280 Facilities@SLC.gov </div>		
Log #	Project	Funding
12	Facilities Replacement & Renewal Funding will be used to maintain and improve the City's facilities and assets to ensure they remain functional and in good condition.	\$1,980,868
38	Public Safety Building Electric Vehicle Charging Expansion This project will upgrade the charging infrastructure at the Public Safety Building, a central facility for the City's police and fire departments, emergency operations center, and combined dispatch unit.	\$1,002,689

<div>  Transportation Division 801-535-6630 Transportation@SLC.gov </div>		
Log #	Project	Funding
2	Vision Zero Corridors & Safety Improvements Funding will be used to improve safety on corridors with significant crash histories.	\$2,300,000
13	Traffic Signal Replacements & Upgrades This funding is for the replacement of up to six traffic signals in failing condition and upgrades to detection and/or communications equipment.	\$4,000,000
14	Transit Capital Program 2026 / Funding Our Future Transit This program leverages funds from UTA to install bus shelters, benches, and trash cans, and to collaborate on the development of mobility hubs and accessible first/last-mile connections to transit.	\$1,000,000
15	Missing Sidewalks & Bikeway Network Gaps This program will retrofit streets with walking and bicycling facilities and add strategically selected segments of trails to create a complete network.	\$1,500,000
18	GREENbike Rack Replacements This is a federal funding match to replace old, rusting, falling-apart GREENbike stations and corrals. GREENbike is SLC's bike share system.	\$100,000
19	Livable Streets Program 2026 This citywide program implements traffic calming improvements on local, neighborhood streets in the areas most in need. This funding is for three zones.	\$2,000,000
21	Pedestrian Safety / HAWK at Richmond Street & Zenith Avenue This funding is for a HAWK signal at Zenith Avenue's crossing of Richmond Street.	\$500,000
24	Central City 600 East Byway Safety Improvements This project will improve safety on 600 East between 900 South and South Temple by installing traffic calming, enhancing walking and biking crossings, and upgrading bike lanes at key locations.	\$855,724
41	Glendale Traffic Calming This project will implement traffic calming measures and improvements in the Glendale neighborhood to enhance pedestrian and cyclist safety.	\$76,118
